

Questions to ask your ABA team

You are part of your child's team. These questions help you understand the plan and take part in it. Pick a few to bring to your next meeting.

Goals

- ☐ What are my child's current goals, and why were they chosen?
- ☐ How do these goals connect to what matters most for our family?
- ☐ Can we add or change a goal together?

Sessions

- ☐ What does a typical session look like?
- ☐ Who will work with my child, and how often does the BCBA supervise?
- ☐ How do you make sure my child is comfortable and willing to take part?

Parent training

- ☐ How often will we have parent training, and what will it cover?
- ☐ Which one or two strategies should I practice at home first?
- ☐ Can you show me, then watch me try and give me feedback?

Progress

- ☐ How do you measure progress, and how often will we review the data together?
- ☐ How will we know a goal has been met?
- ☐ What happens if progress stalls?

Family, culture and language

- ☐ Can sessions or materials be in our home language?
- ☐ How will you include our routines, values and other family members?
- ☐ Who do I contact when something isn't working?

Write the answers down and keep them in your family folder.
